RE: Maker Joins Economic Council Board

The Sunrise County Economic Council (SCEC) is pleased to welcome Representative Joyce Maker of Calais to its board of directors.

“I have admired this organization for many years,” Maker said, adding that she looks forward to working with fellow Board members, staff, and area businesses to initiate and facilitate the creation of jobs and prosperity across the county. “Now I can work with all of you to work for all of Washington County.”

“Joyce’s experience as a Calais City Councilor, state Representative, past chair of the Finance Authority of Maine Board, and longtime administrator at Washington County Community College, is a valuable addition to SCEC’s experienced and engaged board of directors.”
